MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM: Chairman

SUBJECT: CIPC Monthly Report - July 1982 (U)

1. The CIPC study, Proposals for Upgrading Intelligence Community Efforts Directed Against International Terrorism has been disseminated to NFIC principals and Study Group members. As you may recall, the study was approved by the DCI on 20 May 1982 and forwarded to the Assistant to the President for National Security Affairs. Further dissemination was delayed, however, pending resolution of a reclama to the DCI from the Chairman, Interagency Intelligence Committee on Terrorism (IICT), regarding DCI implementation instructions. The DCI recently approved the IICT counter-proposal that, inter alia, invited the CIPC to revisit the subject in a year's time to check the extent of progress made in carrying out study recommendations.

2. The CIPC has no other projects under way at this time.
